Docket No. 98N-1265  
Food and Drug Administration  
5600 Fishers Lane  
Rockville, MD. 20857

**I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.**

COMMENTS: Specialized compounding pharmacies  
are needed for women like me who have  
special needs. Please do not restrict  
our ability to obtain necessary prescriptions  
from pharmacist of choice. This is  
one area government has no right  
or need to interfere.

Thank you.
